While this series will encourage all persons along the faith journey, it is specifically with the 18-34 age group and “seeker” in mind. The Message translation will be used, keeping scripture easily accessible to everyone. Rev. Rob will address real life circumstances along the way (i.e., relationships, self –esteem, work, temptation, money problems, suffering and death), those on the journey learn how faith in Christ is relevant to everyday life and how having a faith community can make all the difference.
